Quality Quest

The first Quality Quest
project is coming to an
end.

Two groups of
members have been
very busy putting the
final touches on their
research papers and
final verbal
presentations on two
quality concepts:
Quality Costs and
Corrective Actions!
This has been a
yearlong endeavor,

which should be an
exciting and very
knowledge and
rewarding end to our
sections annual
program agenda.
Please support our
teams who have
committed creative
thought, energy,
personal devotion to
"the cause" and true
teamwork by coming
to the May 22nd
meeting and

presentations.
All team members
who participated
have earned
double RUI points.
Recognition will be
broadcast to all
sections of ASQ
